TO ROUND THE YEAR OFF...

Well as I am sure you are all aware the rehearsals for *Return to the Forbidden Planet* are going really well and everybody, principals and chorus, are giving all they have. Well done to you all thus far, let's keep up the great work!! As we have now broken up for Christmas the next rehearsal will be on Sunday January 3rd at 7.30 pm at Hadley for everyone.

The Christmas Party that was organised by Annika was a very good night. The food was very good and the entertainment was in the form of a disco and everybody was certainly up and dancing the night away. Everybody who went had a very good time and thanks go out to Annika for doing all the leg work and to the people at The Lion for an excellent night.

There isn't much left to say apart from try and push ticket sales for *Forbidden Planet* as the Box Office is now open and if any member wants to come down to a rehearsal you are more than welcome to come on down. I would like to take this opportunity to wish everyone within TADLOP a very Merry Christmas and I hope to see you all in the New Year.
